---

## EDUCATION

---

SEP 2017 - PRESENT

### Master of Arts in Design

Shanghai Jiaotong University (SJTU)

Joined the Design Management Institute and specialising in applying design through gamification to improve user health.

SEP 2012 - SEP 2016

### Bachelor in Industrial Design and Product Development

Technical University of Madrid (UPM)

Combining formal education with the Vicepresidency of DRO (design student's club)

---

## OTHER EXPERIENCES

---

### School Assistant (Scholarship)

Worked in several scholarships in my schools, as TA for my lab in SJTU (paperwork, translation, helping organising events) and as different positions back in Spain (student's attention, web design, social media manager).

### DRO Projects

As VP and team leader in DRO (UPM students club) we organised several design events and courses. Also collaborated with companies for graphic and web design.
